

Many members have asked if GPAH could set up a recurring monthly pledge program to make donating easier. This type of donation program is beneficial to both GPAH and its donors . . . GPAH can better predict its cash flow, knowing pledges would be ongoing, and donors will have peace of mind that their donations are handled automatically each month. GPAH is pleased to announce the creation and implementation of a new fund: the ***Greyt Wellness Fund***.

GREYT WELLNESS FUND (“GWF”)

This fund will be used specifically for the medical, physical, and behavioral well-being of greyhounds determined to be “Beneficiaries of the GWF” as defined below. No monies from the GWF fund will be used toward administrative expenses, event fees or supplies, taxes, merchandise, or any other expense not associated with Greyt Wellness as defined below.

BENEFICIARIES OF THE GWF are:

- 1) all of the greyhounds currently in GPAH’s adoption program;
- 2) greyhounds adopted from GPAH whose families are in need of immediate temporary assistance so their greyhound can remain in its forever home; and
- 3) greyhounds in grave shelter, kennel, or foster situations in the United States.

The primary use of this Fund will be for the Greyt Wellness of the greyhounds currently in GPAH’s adoption program. Monies used for temporary assistance or for greyhounds not in GPAH’s adoption program will be determined on a case-by-case basis under the supervision of the Executive Committee.
